

Welcome to Our Rainbow House Education matters

Something special is happening in August

Project Coordinator Mary will be visiting us for about a month. She will spend time in Brisbane, Toowoomba, Central Queensland, Sunshine Coast and Northern New South Wales.

Mary is keen to meet ORH sponsors and supporters and tell us more about our school. Should you, your club or your school wish to be part of Mary's visit, please contact Alison. The itinerary is filling, so don't delay.

We are all
very
excited!!

You are invited to attend a "Meet and Greet" for Mary on Saturday, 13th August at 2.00pm at Athelstane Bowls Club Rockhampton.

Please phone Alison to secure your booking 0407040251

New to school

Thanks to generous sponsors,
we have ten newly enrolled
students.

Thank you to everyone who donated to our shoe appeal. Your response ensures that each of our primary students will soon have new shoes and socks as well as new gumboots for the next wet season.

To stay up to date, check our facebook and instagram posts.

Term two is in full swing.

We work hard and play hard too.

Classrooms are busy. School attendance rates are near 100%!

Athletics, netball and soccer are in full swing.

School sports day is on 9th July and the students are getting ready.

Fantastic news and a first for an Our Rainbow House student...**University.**
Congratulations Blessings.

Blessings has gained a scholarship to study an undergraduate degree in Agricultural Science at EARTH University in Costa Rica.

Blessings completed his primary schooling at Our Rainbow House then his secondary education at Pestalozzi Education Centre, supported by a Kucetekela Foundation scholarship.

He will commence this four year course in January 2023.

About us

Our Rainbow House is an Australian charity. Our project is a small primary school in a compound in Zambia.

Director Alison and Michelle in the office are available via email:
alisonjray@ourrainbowhouse.org.au

Thank you to board members and supporters who have given days of their time to our recent strategic planning initiative, led by Alan Larsen and Helen Quaife. Our way forward is important and we thank Alan and Helen for their guidance.
